Clinical Racing - The 2025
Clinical Racing Conquers The 2025
Mint 400 Securing Class Win
Today, April

**THE MINT 400
ROAD TO
VICTORY**

The Mint 400 is known as the toughest off-road race in America, a true test of endurance, skill, and mechanical reliability. This year, Clinical Racing proved they were up to the challenge, battling through the punishing Nevada desert to claim a hard-earned Class 2000 victory. The team's journey to the top of the podium was paved with the toughest, exhilarating, and rewarding race that would find their place among the best in off-road racing.

"We had one goal in mind when we raced the Mint 400... to win!" said Raul Gomez, Clinical Racing team leader for Clinical Racing. "From the moment we stepped onto the track, we knew this was our chance to shine. The race was a true test of endurance, skill, and mechanical reliability. We were lucky to have a great team and a great sponsor, Clinical Racing, who supported us throughout the race. We were able to push through the toughest conditions and secure a hard-earned victory. It was a true testament to our team's hard work and dedication."
